

Thank You

NIITSITAPI LEARNING CENTRE COMMUNITY

As I prepare to begin a new chapter, I want to take a moment to say *thank you* to the entire Niitsitapi Learning Centre community.

For the past *five years*, it has been an incredible honour to walk alongside our students, families, Elders, staff and community. Together, we have celebrated successes, faced challenges with courage, learned from one another, and created a place where children know they belong.

Thank you to our *students* for your laughter, your curiosity, and the joy you brought each day. Thank you to our *families* for trusting us with your children and for sharing your stories and traditions. Thank you to our *staff* for your dedication, kindness, and unwavering commitment to children. And thank you to our *Elders and Knowledge Keepers* for grounding our work in culture, relationship, and respect.

Although I am moving into a new role with the Indigenous Education Team, I know our paths will continue to cross, and I look forward to continuing this work together in new ways. Niitsitapi Learning Centre will always hold a *special place in my heart*. 

We are all *connected* to one another, to the land, and to those who walked before us. I leave with gratitude for the relationships we have built and hope that we continue to lift one another up wherever our journeys lead.

Thank you for welcoming me, teaching me, and allowing me to be part of this beautiful community.

With gratitude, 
Harmony Jeffery Gordon
