2024-25 School Registration

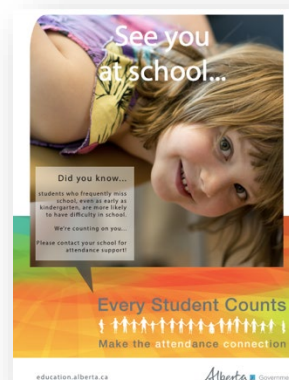

The 2024-25 school year registration began on January 15. If your child is currently in NLC preschool to grade 1, they are automatically registered for the next grade at NLC. Let us know if your child will be attending a different school. In the next few weeks, we will be contacting parents of current grade 2 students to talk about their transition to grade 3 at either their [designated community school](#) or in a specialized program.

Attendance See you at School

Did you know?

- By grade 3, students with regular attendance are more likely to read at grade level.
- By grade 6, regular attendance is a predictor of high school completion.
- By grade 9, regular attendance is a better predictor of graduation rates than test scores.
- Students who attend daily are less likely to fall behind in school.
- Concerns with school attendance may indicate other challenges in a student's life.

If your child will be away from school please ensure you contact the attendance line to report the absence

NLC Open House for New Registrations – February 2

We are hosting an open house this Friday, February 2nd, from 1:00-3:00 pm. We invite you to share the unique educational experience at the Niitsitapi Learning Centre (NLC) with friends and family who may have kindergarten or preschool-aged children looking to register for the upcoming school year.

As valued members of the NLC community, your firsthand experiences with our school can help others discover the exceptional education and culturally responsive environment we offer. Thank you for being part of the NLC family, and don't hesitate to pass along the [invitation linked here](#).

Inii's Insights

The beginning of February also marks the mid-way point between the Winter Solstice and the Spring Solstice. During this time the eagles are returning and beginning their mating season and building nests. Last year during this time we could even see Eagles flying over our school, all of these are spiritual signs to remind us that we are connected to something larger than ourselves, that we are on the path for new beginnings and ready for new challenges. This all aligns with the upcoming renewal that spring brings. So when you are relating on and with the land, ensure to look up and watch for signs that supported the Blackfoot and Cree nations to name this time of year the Eagle Moon.
